

K-Learn: User Manual

K-Learn is a mobile application designed to help users learn the Korean language through interactive lessons, quizzes, and translation tools. It provides a structured and engaging way to improve vocabulary, pronunciation, and comprehension.

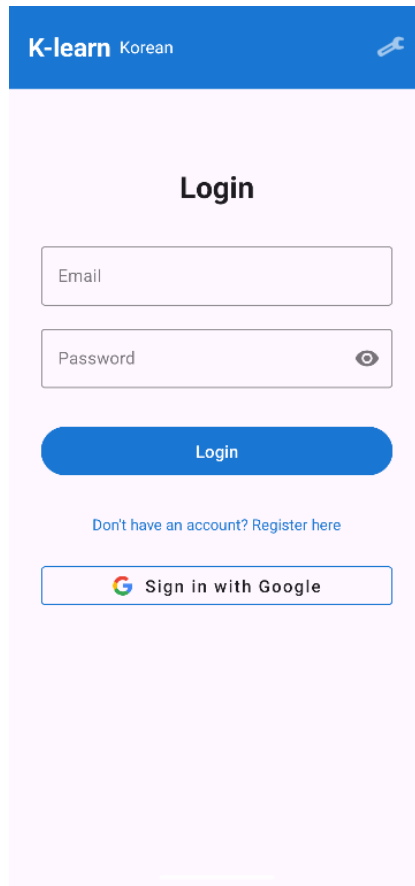

The image shows a mobile app login screen for 'K-learn Korean'. At the top is a blue header with the text 'K-learn Korean' and a small wrench icon. Below the header, the word 'Login' is centered in bold. There are two input fields: 'Email' and 'Password'. The 'Password' field has an eye icon to its right. Below these fields is a blue rounded button labeled 'Login'. Under the button is a link that says 'Don't have an account? Register here'. At the bottom is a button with the Google logo and the text 'Sign in with Google'.
